Subject: Hearing Date for Public Communications Services

2008-135-C

Dear David

My client, Public Communications Services, would like to expedite the hearing for its application if possible. Is there any way we could have the hearing in late May or early June and move up the testimony deadlines to correspond. I have discussed my request with Shealy who consents for ORS. We appreciate your consideration of our request. Let me know if you would like a more formal "letter request."

Bonnie
